

On the Boards

A chance for AIA/DC architects to show what's on their drawing boards — for DC and beyond.

Boston University

John Hancock Student Village
Cannon Design
Spring 2005

John Hancock Student Village forms a striking new gateway to the west end of the Boston University campus and includes the 6,500-seat Harry Agganis Arena and a 282,000 s.f. state-of-the-art recreation center.

Gilmer Teahouse

Bethesda, Maryland
Gardner Mohr Architects LLC
Fall 2005

From Bungalow to Japanese Teahouse—work on this '30s-era bungalow involves adding a new second floor, roof, and a "teahouse" opening through sliding panels onto the trellised veranda, screen porch, and gardens.

Gardner Mohr Architects LLC
3626 Raymond Street
Chevy Chase, Maryland 20815

Baker/Urra Residence

U Street neighborhood, Washington DC
DesignWorks Collaborative
Fall 2005

Expect a complete transformation of the rear of this rowhouse from its current plain-vanilla vinyl siding and undersized windows into a striking contemporary composition in brick, stucco, wood, metal, and glass.

DesignWorks Collaborative
2726 13th Street, NW
Washington DC 20009

Kalorama Park Apartment Building

1836-38-40 Columbia Road, NW
Washington, DC
Balodemas Architects, Chtd.
June 2005

A striking, neoclassical facade marks this new 25,000-s.f. development in the center of Adams Morgan. The design accommodates commercial and residential uses and two levels of underground parking on an extremely tight footprint. Under construction.

Balodemas Architects, Chtd.
